RE: Revised Human Health Risk Assessment Work Plan
Occidental Chemical Corporation, 6200 S. Ridge Road, Wichita, Kansas
EPA ID No. KSD007482029.

Dear Mr. Somoano:

The U.S. Environmental Protection Agency has reviewed the above referenced document submitted by Conestoga-Rovers & Associates on behalf of the Occidental Chemical Corporation Wichita facility dated, April 2015. The work plan document was revised based on comments provided by the EPA dated, February 25, 2015, and the revisions made address the EPA's comments in a satisfactory manner; therefore, the document is approved.

Please proceed with implementation of the work plan. If you have questions about this letter you may reach me by phone at (913) 551-7279 or by email at roberts.bradley@epa.gov.

Sincerely,

Brad Roberts
